## PICTURE CAPTION

TV Curriculum Published

#80409      The Rev. Robert R. Parks, rector of Trinity Parish, New York, holds his presentation copy of "Growing with Television," an ecumenical Christian education tool published by a consortium of Church publishers including the Seabury Press. The curriculum, subtitled "A Study of Biblical Values and the TV Experience," was developed by Media Action Research Center (MARC) under a grant from Trinity. With Parks are, l-r, Nelson Price, president of MARC; Ben Logan, editor of the curriculum and G. Blaine Feister of the National Council of Churches who assembled the publishing consortium.
